

**UFO observations (pp. 66-73)**

This rather voluminous case history deals with the sighting of a male witness, aged 80, who saw a rather magnificent unidentified object with an atomic drive over Bochum on 25 June 2010. His account is interspaced with his personal reminiscences of his life as an engineer and suggestions on how the motor that drives the spaceships might function.

**The Priests of High Strangeness, Part I (pp. 74 -86)**

This article, by Budd Hopkin's ex-wife and collaborator Carol Rainey, taken from *Paratopia* (vol. 1, is. 1), outlines the most famous abduction cases and how "investigators" like Hopkins and Jacobs researched them – an insider's view which raises many disturbing points about the ethic and realism of abduction research.

**When a UFO research society reaches 40 years (pp. 87–93)**

On GEP's meeting, on 24 March 2012 in Hanover, a wide variety of talks were presented,. First was Ha-We Peiniger with his recollections of 40 years of GEP, other speakers included Andreas Anton on UFOs and conspiracies, Ingbert Jüdt on "a paranoid style of UFO politics", on the disclosure movement, and André Kramer with a review of the unidentified cases of the GEP. The meeting was well attended.
